Woodside Primary School
REMOTE EDUCATION POLICY

1. Aims

This remote learning policy for staff aims to:
• Ensure consistency in the approach to remote learning for pupils who aren't in school
• Set out expectations for all members of the school community with regards to remote learning
• Provide appropriate guidelines for data protection

2. Roles and responsibilities

Teachers
When providing remote learning for a class bubble closure or national lockdown, teachers must be available between 9.00 am and 3 pm (unless they are the person who has tested positive). When providing remote learning for a pupil/small group of pupils who are self-isolating, teachers will be available in working hours when they are not teaching i.e. 8 - 8:30am and 3.30 - 4pm. If they're unable to work for any reason during this time, for example due to sickness or caring for a dependent, they should report this using the normal absence procedure.

When providing remote learning for a class bubble closure, teachers are responsible for providing both online work and paper work, depending on the child and their personal circumstances

Online offer - Each day the child needs to be able to access:
• 1 x maths activity, 2 x English activities (reading and writing / phonics), 1 x foundation activity. All learning will be uploaded either to Class Dojo / Seesaw or the school website class page.
• There will always be an activity for the children to complete and upload for each lesson, every day.
• 'Teacher-time' – each child will be offered a weekly communication with the Teacher during a 14-day self-isolation period. This could take the form of, email, a phone call, or a message via Class Dojo / Seesaw

Paper offer:
• A weekly pack of paper worksheets/text books/activities will be provided for Phonics, English, Maths and Foundation subjects.
• An appropriate book band reading book (or several depending on the age of the child) will be provided in the pack.
• A family member/friend (who is not self-isolating) can collect or in exceptional circumstances a member of staff will deliver it to the household.
• The work will be returned when the next pack is collected and, using the marking policy, feedback will be given.
• Again, during the self-isolation period the class teacher will contact the family – either through email, from the class support email account, or a phone call once each week to check in and see if everyone is ok with the remote learning.

Attending 'Teacher time' virtual meetings with pupils and parents:
• All staff will be expected to be mindful of their dress code- the same expectations as in-school apply
• Staff will need to be aware of locations where they hold their virtual meetings and should blur/change the background when possible
• When any virtual face to face sessions have been concluded, the members of staff leading the meet must be the last person online. Once all pupils have left the room the teacher must delete the chat and link. Teachers can refer to their Acceptable User Policy (AUP) for acceptable communication advice when in contact with families.
• In the event of a national lockdown, where teachers may be on a rota to work in school with key worker or vulnerable children as well as prepare remote learning, daily PPA time (of at least an hour) will be allocated to ensure they can still adequately provide remote learning.

• In the event that the teacher is ill and therefore unable to provide remote learning, the Headteacher , Assistants Heads or other senior leader will ensure the provision is met.

• Considering whether any aspects of the subject curriculum need to change to accommodate remote learning

Pupils and parents
• Online learning will be offered to pupils in one of four scenarios:
• A child tests positive and must isolate for 14 days
• A member of the child's house hold tests positive and the child must isolate for 14 days
• After 5 days, the child, or member of household, who is displaying symptoms, has been unable to get a test and must isolate for 14 days
• When we close a class bubble for 14 days due to a positive case, or we have a national lockdown resulting in the school being closed for all pupils except key worker and vulnerable children.

If a child is off for less than 5 days, they should read daily, practise their spellings, and access the online learning links available on the school website.
Staff can expect pupils learning remotely to:
• Be contactable during the school day
• Complete work to any deadline set by teachers

Teaching assistants should be guided by the class teacher which children they will need to support and how, for which learning they are to support particular children and which time they will need to do this. When assisting with remote learning, teaching assistants must be available between 9:00 and 3pm (or contracted hours).
If they're unable to work for any reason during this time, for example due to sickness or caring for a dependent, they should report this using the normal absence procedure.

Behaviour
It will be expected that all children will engage with learning if they are absent from school for more than 5 days.
If it is the case whereby a child is healthy, but is not engaging with learning, the following process will be followed:
• Step One – After 2 days, a message will be sent to the child via Class Dojo
• Step Two – After 3 days, the class teacher will telephone parents/guardians
